

Health-Full Touch

For Pets, Horses, and Livestock

Workshops Presented by Carmen Kolz, BS

Certified in Healing Touch Levels I & IIA, with over 10 years experience

Sponsored by Canine Underwater Treadmill LLC www.canineunderwatertreadmill.com

Learn how to incorporate *Health-full Touch* into your animal relationships.

Performing this ancient technique will help you:

- **Maintain or improve their physical and emotional health**
- **Improve your communication with your animals**
- **Deepen the relationship you enjoy with your animals**
- **Become more aware of their true needs**
- **Adopt a holistic, natural approach to your pet's health from birth to old age**

With one-on-one guidance and practice, learn how *Health-full Touch* can ease many present or future physical and emotional challenges.

Plus you will receive:

- **Modern scientific concepts pertaining to human and animal energy fields**
- **Step by step guidance on:**
 - How to assess an animal's energy field
 - How to use *Health-full Touch* and 2 additional methods of bio-energetic healing
 - How to perform self-paced healing techniques with your choice of the animals available to the workshop, which may include dogs, cats, alpacas, and horses

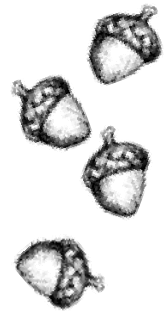

This one day, Intensive Workshop lasts from **10:00 - 3:30**

And will be held on **September 30 and October 14**

at 3617 Derr Rd., **Springfield, Ohio** 45503
